REWARDS PROGRAM

Ladies & Gentlemen It's time to Celebrate!

We, at S&W Race Cars, are celebrating 52 Crazy, Fast & Fun years in the racing industry. We are thankful for all of the Racers, Customers and Friends that we have met during the 'First 52.'

As a token of our appreciation, we are going to bring back the
S&W BONUS BUCKS Rewards Program

Every purchase you make between
August 1 & September 30, 2011 will earn you S&W Bonus Bucks.

How it Works..

Every \$100.00 you spend with S&W, during Aug. and Sept., will earn you \$5.00 worth of Bonus Bucks. Your Bonus Bucks will be stacked and stored in your Bonus Bucks account, until the redemption window opens on October 1, 2011!

During the redemption months of October and November, you can ask for your Bonus Bucks to be applied toward the purchase of S&W Race Cars, Race Parts, Merchandise or Freight Charges. As an added Bonus, they can be redeemed for Race Entry at Maple Grove, Atco or Numidia Dragway from October until the end of the 2011 race season.
