

# **INTRODUCING THE**

A Summer long points series aimed just for ET bracket racers who have chosen S&W Race Cars to either build their race cars or supply the major chassis components for a car they have built themselves.

From Memorial Day until Labor Day, if you win a bracket race at your local track, let us know and we'll award you one point. In early September we will tally up the points and crown a champion! What can you win? The first place points earner will be awarded a championship jacket and a \$1000.00 S&W house credit for use on any of S&W's fine products. Not the champ? Don't despair all other winners will be entered in a drawing for a great consolation prize.

Here's what you need to qualify. Entries will be accepted on the use of any complete S&W race car or the use of S&W chassis & suspension package, complete bolt on Mustang or Camaro package or an S&W roll bar or roll cage. Entries display the S&W decal on both sides of the car. Registrants must have had sales activity with S&W during the past 12 months. (Sorry, if you bought your cage 10 years ago and we haven't heard from you since - you really should call us, you've missed a lot!) Registrants are responsible for providing verified results to S&W Race Cars. Simply email the date of the event, the name of the track and what class you won, plus a photo of the car showing the placement of the S&W Race Cars' decals to [shootout@swracecars.com](mailto:shootout@swracecars.com).

Registered participants submissions will be reviewed by our staff and all photos become the property of S&W Race Cars where they may be used for promotional purposes. S&W Race Cars reserves the right to refuse any submission at our sole discretion.

Employees of S&W Race Cars and their immediate families are not eligible.
